

## Monticello Interview Questionnaire

1. When was Monticello established, by who, and what was their purpose in establishing this place as a historic site?
2. Will you explain how Monticello helps commemorate or perpetuate the memory of the enslaved women that labored on this plantation?
3. Does Monticello have any special objects, buildings, or other items that help bring this history to life?
4. Do you have any recommendations on databases or locations to search for quality primary or secondary sources on topics related to this site or women's history more generally?
5. How do you believe visiting your site can help visitors put together the context surrounding the enslaved women that labored on this plantation?
6. How can a National History Day participant use your site to address the theme, Breaking Barriers, especially relating to women's history?
7. How can people learn more about your site if they are too far away to travel there?
