Learn Together

- **ENGINEER** : a person who designs and builds complex products, machines, systems, or structures. Engineers are naturally curious and want to know how and why things work. They have scientific training to make practical things.
- **INVENTION** : a new thing that someone has made.
- **DYNAMO** : a person who seems to have unlimited energy.
- **COCKPIT** : a space in an airplane for the pilot.
- **GOAL** : something you want to achieve and that will require a series of steps to obtain it. A goal can be something you want to learn, do, create, have, change, or overcome that provides you with a sense of purpose.
- **ROSIE THE RIVETER** : Rosie the Riveter is a famous fictional icon representing the women workers who made their contribution to the US war effort during World War II.
- **"ROSIES"** : a nickname for women who worked in jobs that contributed to the US war effort during World War II.
- **"ROSEBUDS"** : a nickname for the daughters and female descendants of women who worked in wartime jobs during the Second World War.
- **WORLD WAR II** : a global war that took place from 1939 to 1945 in which most of the world's countries fought as part of two military alliances: the Allies and the Axis.
- **ALLIED NATIONS** : a group of nations (including the United Kingdom, the United States, and the Soviet Union) that fought against the Axis countries (including Germany, Italy, and Japan) during the Second World War.
