Categorize Questions: Closed/Open

Definitions:

- **Closed-ended** questions can be answered with a "yes" or "no" or with a **one-word** answer.
- **Open-ended** questions require more **explanation**.

Directions: Identify your questions as closed-ended or open-ended by **marking them** with a **"C"** or an **"O."**

Select Two Questions

- Choose the two questions as a group that you are most curious about.
- Think about why you chose those questions.
- After you complete today's activity, you try to answer the two questions you selected.

Values

-
- define the term “values” and provide examples of what values mean to you
