Round 2 Graphic Organizer

ONE

Each student should share their source and their response to the supporting question with the group.

TWO

After reviewing each of the sources from the source set, decide as a group which source(s) seems to have the most reliability and weight in answering the compelling question and why. Complete the graphic organizer below to record your group's responses

THREE

Finally, create a group response that answers the compelling question using evidence from all of the sources in your source set. Be prepared to share your group's answer.

Round 2 Graphic Organizer

Which source(s) provide the strongest evidence for answering the compelling question? Explain your reasoning.	
What makes these sources particularly useful? Consider the author's purpose, audience, reliability, and perspective.	
Identify at least one weakness of using this source to answer the compelling question.	
Did the sources answer any questions created by your group? Explain	
To what degree did Reconstruction change the role of African American women in the South? Use evidence from all three sources to support your claim.
